OPTION AGREEMENT

In order to induce you to carry accounts ("Option Accounts") for me (however designated) for transactions in option contracts (including, without limitations, purchase, sale, transfer, exercise and endorsement) ("Option Transaction"), I hereby warrant, represent and agree with you as set forth below on this Option Agreement.

1. I understand, and am well aware, that option trading may be highly speculative in nature. I am also aware that on certain days, option trading may cease and this could result in a financial loss to me. I agree to hold the company, its other divisions, and its officers, directors and agents harmless for such loss.
2. I understand that any option transaction made for any account of mine is subject to the rules, regulations, customs and usages of The Options Clearing Corporation and of the registered national securities exchange, national securities association, clearing organization or market where such transaction was executed. I agree to abide by such rules, regulations, custom and usages and I agree that, acting individually or in concert with others, I will not exceed any applicable position or exercise limits imposed by such exchange, association, clearing organization or other market with respect to option trading.
3. If I do not satisfy, on a timely basis, your money or security calls, you are authorized in your sole discretion and without notification, to take any and all steps you deem necessary to protect yourself (for any reason) in connection with option transactions for my account including the right to buy and/or sell (including short or short exempt) for my account and risk any part or all of the shares represented by options handled, purchased, sold and/or endorsed by you for my account or to buy for my account and risk any option as you may deem necessary or appropriate. Any and all expenses or losses incurred in this connection will be reimbursed by me.
4. In addition to the terms and conditions hereof, my option account will be subject to all of the terms and conditions of all other agreements heretofore or hereafter at any time entered into with you relating to the purchase and sale of securities and commodities except to the extent that such other agreements are contrary to or inconsistent herewith.

5. This agreement shall apply to all puts or call which you may have executed, purchased, sold or handled for any account of mine and also shall apply to all puts, or calls which you may hereafter purchase, sell, handle or execute for any account of mine.
6. I have received from the company the most recent risk disclosure documents entitled "Understanding the Risks and Uses of Listed Options", "Listed Options on Stock Indices", "Listed Options on Foreign Currencies", and "Listed Options in Debt Instruments". I have read and understand the information contained in these documents.
7. I understand that you assign exercise notices on a random basis except that with respect to options on the following debt instruments: Treasury Bonds, Treasury Notes, Treasury Bills and GNMA's, you may preferentially assign exercises of block-size (i.e. covering \$1,000,000 or more of underlying securities) to block-size writing positions and you may preferentially assign smaller exercises to smaller writing positions. I understand that upon my request you will provide me with further information regarding the procedure used to assign exercise notices.
